Samuel Gu: This year, Samuel achieved a number of excellent results in our Junior B group and recently progressed to the Junior A group. He concentrates well and is keen to improve. (Age: 10)

Felix Chen: Over the whole year, Felix has been one of the more successful players in our Youth club events. He is keen, concentrates well and is prepared to think carefully about his moves. This year he made the progression to Senior Open tournaments where he has scored the occasional upset result.

Lachlan Zhang: Lachlan has demonstrated rapid improvement over the year, winning a number of B-division tournaments before progressing to A-Division and gaining a Silver medal in the final tournament at that level. (Age: 8)

Jason Cui: Jason is eager to learn and has shown good progress since joining the club 3 years ago. This year he has been near the top in a number of tournaments at the Junior A level. However, he finished the year in style, winning the final tournament with 6/6. (Age:8)

Stefan Lee: Stefan always shows great enthusiasm and is keen to improve his play. This year he progressed from the Junior A to the Youth group winning a number of tournaments along the way. In September, he became the 2019 Junior Club Champion (Age: 10).
